VIA: Executive Director
Deputy Director for Administration
General Counsel

25X1 FROM:
Director of Security

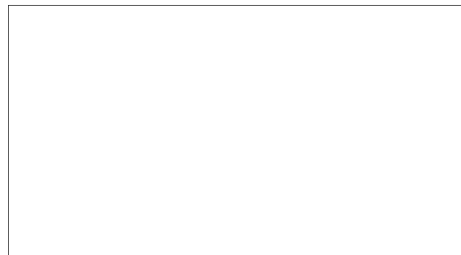

25X1 SUBJECT: Memorandum of Agreement between the
Defense Intelligence Agency and the
Central Intelligence Agency on the Exchange
of Personnel Security Information

25X1 1. Action Requested: This memorandum contains a
recommendation that you sign the attached Memorandum of
Agreement (MOA) between the Defense Intelligence Agency (DIA)
and the Central Intelligence Agency (CIA).

25X1 2. Background: The purpose of the MOA is to formalize
procedures for the exchange of personnel security information
between DIA and CIA. The MOA sets forth the respective
responsibilities of the agencies, including limitations on the
dissemination of adverse personnel information, and clarifies
other issues associated with dissemination of personnel
security information. The discretion of the Deputy Director of
Central Intelligence (DDCI) regarding the dissemination of
polygraph-derived information is not affected by the MOA. The
MOA explicitly states that "nothing in this agreement alters
the authority and responsibility of the DDCI to approve the
dissemination of polygraph-derived information consistent with
CIA policy" (MOA, Page 3, D.4d).
